

CARELOOP - SYNTHETIC COORDINATION SUMMARY
DEMO DOCUMENT - NOT A REAL PATIENT REPORT
Patient fixture: CL-4170 | Asha Nair
Care program: Maternal health | Department: Maternal health
Assigned doctor: Dr. K. Sathwik | Team owner: Unassigned

LAST KNOWN CARE ACTIVITY

Appointment: 04 Aug 2026 - antenatal review (demo fixture)
Investigation: 08 Aug 2026 - test result recorded (demo fixture)
Milestone: Follow-up review missed on 22 Sep 2026
Contact: Reminder sent 21 Sep 2026; no response recorded

COORDINATION NEXT STEP

Priority: HIGH - transparent workflow cue, not a clinical prediction
Reason: Review is overdue and no contact is assigned to an owner.
Suggested team action: Assign an owner and coordinate contact.
